3D Endoscopy

ENDOMIN NEW GENERATION NEUROENDOSCOPY CLINICAL OBSERVER COURSE

The ENDOMIN College team is pleased to announce this new generation observer course on endoscopic and minimally invasive neurosurgery which is dedicated to neurosurgeons with valuable basic neuroendoscopic experience.

Practically oriented lectures, extensive case discussions and numerous interesting live surgeries provide valuable knowledge and important tips and tricks to improve neuroendoscopic skills and give instructions for avoiding surgical complications.

This exciting new training course is dedicated to you, the new generation of endoscopic and minimally invasive neurosurgeons.

We are looking forward to welcoming you in Switzerland's charming metropolis Zurich.
